17. [] LIAISON At the request of []

sent to Beverly Lumpkin, staff of the House International Relations Subcommittee on International Organizations, a copy of the Agency publication entitled, "Korea: The Economic Race Between the North and the South," which Mr. William Garvelink, of the Committee staff, had requested.

18. [] LIAISON Cliff Fowler, GAO, called and

inquired as to whether GAO would be allowed access to CIA documents on [] in view of the Director's relaxation to grant access to the House Interstate and Foreign Commerce Subcommittee on Energy and Power. GAO had been requested by Chairman John Dingell (D., Mich.) to conduct an investigation. Fowler was given a general briefing early on but was denied any further access after the stand-down. Fowler said it was GAO's understanding that they are now to have access. Fowler contacted the Subcommittee on Energy and Power assuming that Chairman Dingell's strong letter of rejoinder to the Director to allow access also included GAO. Chairman Dingell told GAO that they would have to get access to CIA documents directly from the Agency. If this is the case, he requested that the Agency send a letter to GAO explaining why they will not be granted access. I said I would check it out and get back to him.

19. [] LIAISON Called Pauline Baker, Senate

Foreign Relations Committee staff, to tell her that her list of questions which were provided to us at the close of the 10 February 1978 Senate Foreign Relations Committee hearing on foreign military presence in Africa will not be answered in writing, inasmuch as the analysts were seriously overloaded with a battery of other requirements. While what I had to say was more delicately expressed than the foregoing might indicate, the message in essence was the same. She said that she really needed to have a response in writing and was prepared to wait for it. I have passed her response along to [] NFAC/CSS.

20. [] LIAISON Called Bill Leece, House

Permanent Select Committee on Intelligence staff, and told him that the DDCI was scheduled for a hearing on 7 March and that the hearing would be at the codeword level. He said that he would make sure the hearing room was swept beforehand and that the hearing was monitored. I also told him that the DCI hearing for 8 March had been cancelled.
